YSHCC Board Chair 2019 To Present

Experience & Education

Serves as an Executive Team member for Ampla Health Corporate and manages several departments including Building and Maintenance, and Outreach and Insurance Eligibility activities since 2015. Operated the Communications and Marketing Department 2015–2019. Implemented a patient transportation pilot program in 2016 and 2017. Coordinated the opening of a new, rural clinic in 2016 and an urban clinic in 2021. Also researches and identifies new government, corporate, foundations and private funding and grant prospects, and is a point of contact with federal, state, county, and private organizations, tracks data and evaluates outcome measures, implements and monitors the corporate Strategic Plan, and promotes partnerships to serve as the largest healthcare provider of preference for primary health care patients within six Northern California counties. For the prior 16 years was the Economic Development Coordinator promoting Yuba County's business environment and reporting to the County Administrator.

MAM, University of Redlands, 1999
